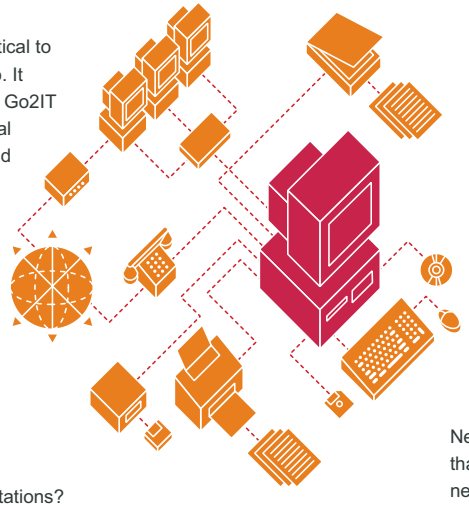
>> WE STRIVE TO CREATE END-TO-END SOLUTIONS THAT MEET OUR CLIENTS' NEEDS AND EXCEED THEIR EXPECTATIONS

Being the best at what you do and doing it at the lowest price point in the marketplace. That's how Go2IT distinguishes itself from its competition. And that's how we've thrived during a difficult economy, when so many of our competitors have fallen by the wayside. Here's how we can make a difference for you:

STAFFING SPECIALISTS

Hiring the right people may be more critical to your success than anything else you do. It might also be the most challenging. Let Go2IT do the leg work for you. Our professional recruiters have the industry contacts and experience needed to match your company's needs with the best and brightest talent available in the marketplace. Short and long term contracts, temp-to-hire and permanent placements solutions are available to customize a solution that is right for you.



FIELD SERVICES

Is it time to upgrade your network?
Need to overhaul your employee workstations?

With over 8000 PC technicians maintaining a footprint in all 50 states, the Go2IT Group has the resources to get the job done right. No project is too big or small – whether it's a nationwide deployment or a single small business upgrade, we have the team to get it done. We have experience with the following:

- National deployment projects for major retail chains, hotels, restaurants, financial institutions and medical facilities.
- PC and laptop upgrade and replacements for major metropolitan school districts across several states.
- Enterprise wide employee workstation upgrades – from Fortune 500 companies to single office small businesses.
- Warranty replacement work for some of the nation's largest PC manufacturers.
- National break / fix coverage for residential and commercial clientele.
